

Scuola Superiore Meridionale

PhD program in *Molecular Sciences for Earth and Space*

MOSES PhD Program - seminar course

Astrochemistry and Molecular Astrophysics

A.Y. 2024/2025

Guest Lecturer:

Prof. Alessio Petrone

Dept. of Chemical Sciences, University of Napoli Federico II

***“Theoretical-Computational Approaches for
Photo-Induced Phenomena in Nano-Materials”***

November 26, 2025

11:00 - 12:30

Room 4 - III floor

Scuola Superiore Meridionale

Largo San Marcellino, 10 - Napoli

ID meeting: 352 711 719 002 22

Passcode: wT3AG3r7
